Linus Technologies Limited (ASX : LNU) (“Linus” or “Company”) is pleased to present its September 2016 quarterly report on business progress.

CORPORATE

Placement to Kirby family interests

During the quarter the Company was pleased to announce a strategic investment in the company from Kirby family interests, with the investment of \$0.5 million for 10,000,000 ordinary shares at \$0.05 per share. The shares are subject to a voluntary escrow restriction for 8 months from their date of issue through to the first anniversary of the Company’s listing.

Mr Robert Kirby is the Co-Executive Chairman and Co-CEO of Village Roadshow, a leading international entertainment company, notably in film production, film distribution, cinema and theme parks. The Kirby family’s personal investment into Linus is seen as a strategic endorsement of the Company’s commercial aspirations. The Linus board also believes that the insight and experience of such key industry figures will provide value with regard to affecting the Company’s operating plan.

Appendix 4C Quarterly Report and statement of cash flows

The ASX Appendix 4C quarterly report for September 2016 is attached to and lodged with this report. The Appendix 4C Quarterly Report covers the 3 month period from 1 July to 30 September 2016 and reflects the cash outflows incurred by the Company in pursuing its technology development, showcases, marketing activities and its stated business plan and objectives.

The cash balance at 30 September 2016 was \$3.2 million, following September 2016 quarter operational cash burn of \$0.6 million and the receipt of placement funds of \$0.5million.

OPERATIONS

The primary focus of operations during the September quarter was continued development of the Linus Video Virtualization Engine™ software, and progression on the path towards commercialization. Development of the software continues to proceed ahead of schedule and under budget. Significant operating outcomes for the company in the September quarter included

- Beta release of the software on September 16th
- Demonstration of the joint solution with Linus Showcase partner Digisoft to an attendance of over 55,000 industry professionals at the International Broadcasting Convention in Amsterdam
 - The joint solution showed identical movies being watched on cable TV, with ads specifically targeting the viewer on each TV — a world first for the cable industry on legacy set-top boxes
 - The show directly led to a number of partnership discussions which are on-going under mutual non-disclosure
 - Substantial interest from cable companies around the world in the joint Linus-Digisoft solution
 - Global exposure through coverage in the international industry press
- Decision by the EU to grant Linus' core patent — the last major jurisdiction in which the company was seeking patent protection
- Deepening of the relationship with Digisoft, with a commitment by Digisoft to become the first reseller of the Linus technology
